

A1 CENTRAL PARK RESIDENT WELFARE ASSOCIATION- ELECTIONS (15TH MARCH 2020)

The A1 Central Park Resident Welfare Association S/ND/480/2014 was formed on 8th August 2014, since then there were no elections conducted by the managing committee. Entire Management and Executive Committee members resigned in the month of April 2017. Fresh elections were sought but somehow the elections were not conducted in the public domain. Few office bearers of the old team continued working without official elections even thereafter.

Residents and members pursued them for elections even after the so called 2nd term was near completion but no action was taken.

The residents called for a meeting on 1st February wherein 3 presiding officers, namely Mr. Sukhbir Singh, Mr. Sanjay Bhayana and Mr. Sunil Sikka were nominated to call for the elections. The meeting was attended by 29 residents (duly signed). Subsequently notice and 200 Printed copies of the nomination form was sent on 12th of February for the elections to be held on 15th March with a deadline to submit and withdraw the nominations by 29th Feb and 7th March respectively to all the residents from A1/1 to A1/152.

The following residents filed the nominations, since no other nominations were received they are elected unopposed in the presence of residents as listed below:
